Lili and Herman Markowitz

Factor's Famous Deli has been at the same Los Angeles location on Pico Blvd. since 1948. The Markowitz Family has owned and operated Factor's since 1969 and from the very beginning Herman and Lili Markowitz strived to provide quality food, generous portions and friendly service in a warm family atmosphere.

Over the years we have expanded Factor's, adding a large take out counter, garden patio and alfresco dining, preserving our commitment to the original quality and friendly service established by our parents.

As a tribute to our parents, we are keeping their commitment alive. To all our friends who continue to enjoy this special establishment, we thank you for your support and hope every visit is a very pleasant one.
